

GRABBER®

LOX Wood Screws

**The Screws Designed
for Power Tools**

The patented LOX drive system delivers the maximum torque and guarantees fully driven screws...no cam outs or stripped recesses. A LOX recess screw drives so well it's like a free performance upgrade to your screw gun! When combined with GrabberGard® All-Weather Finish, Grabber's LOX wood screws are perfect for any Exterior Project, Decks, fences, Siding, Lattice, Docks & More. LOX screws are setting a new standard in screw design and performance.

**GrabberGard® finish
is ACQ Approved**

FREE

LOX bit tip in every
box of screws

- ▶ **LOX 2 recess for a sure driving experience**
- ▶ **Flat head with countersinking nibs**
- ▶ **Type 17 self-drilling cutter point eliminates the need for pre-drilling in most cases**
- ▶ **Available in yellow zinc for interior applications**
- ▶ **Available in GrabberGard green, red, tan and gray for long lasting exterior application**
- ▶ **Available in 305 and 316 stainless steel for high corrosion environments**
- ▶ **Most LOX drive screws are available in collated for most autofeed tools like SuperDrive and Hitachi**
